

Spring is Coming

Our store is taking on quite a spring-like appearance. Just at the moment, we appear to be leading the weather man by a couple of laps, but we would rather lead than follow, anyway. Dainty Silk Dresses for discriminating dressers are arriving every few days—here's a little list of a few that have just been opened.

Nigger Brown Satin Dress, with straight skirt trimmed with Cascade bands of the same material; the surplus waist has a lining of Gold Fish Net and Georgette sleeves, and is embroidered in Oriental colors and beads, @ \$37.50

Sapphire Blue Crepe de Chene Dress with draped tunic; the waist is bloused having Kimona sleeves and satin girdle, @ \$40.00

Taupe Crepe de Chene Dress with Russian blouse and tie girdle, embroidered heavily in yarns of Rose and Green shades, @ \$40.00

A Henna Tafetta Silk Dress with short peplum, and narrow flat girdle, bell sleeves with shaped cuff, @ \$34.00

Navy Blue Crepe de Chene Dress with tunic skirt, embroidered in Gold, and trimmed with Silk covered buttons, @ \$35.00

American Beauty Crepe de Chene Dress, with loose surplus waist embroidered in colors, and trimmed with frills of the same material, Priced at \$43.50

A Georgette draped overskirt on foundation dress of Nigger Brown, Crepe de Chene with Silk bands and colored embroidery, \$43.50

Black Tafetta Dress, with overskirt of Georgette trimmed with frills of Tafetta. The waist is surplus having jet buttons as trimming, Priced at \$45.00

Pearl Grey Tafetta Dress, with ripple pointed tunic; has a long body with pointed front panel, and Georgette sleeves, trimmed with Delph Blue pipings, Priced at \$49.50

NEW FANCY VOILES
The foundation colors are Pink, Black, Taupe, Grey, and Blue, with pretty Oriental designs, per yard, \$1.50

Three new pieces of Georgette in shades of Rose, Cope, and Mauve, per yard, \$1.00

Shot Messaline Silks in Sapphire and Black, Taupe and Violet, Green and Royal, American Beauty and Black

An Afternoon Frock of Royal Blue Silk, having complete overdress of silk fish net; the waist is made with a round neck, and short sleeves, finished with a narrow girdle of Paddy Green Velvet, @ \$34.00

Cope Blue Crepe de Chene Dress with draped jumper that ties in a sash at the back; the straight skirt has short full peplum, embroidered in colored silk and ostrich trimming, @ \$35.00

Grey Crepe de Chene Dress with tucked skirt; the waist is bloused, having long sleeve with wide cuff; the narrow girdle and strap trimmings are embroidered in pretty bright shades, @ \$35.00

Purple Messaline Silk Dress with Georgette neck and sleeves; the bloused waist is embroidered in colored wool, and trimmed with Oriental shadow lace, at \$36.00

Style--Comfort--Quality

These three things are assured to wearers of

à la Grace
Corsets

Their fitting provides a perfect base for the lines of one's gowns.

Comfort is assured because ample support is given while allowing free play to one's movements.

The steels will not rust. Several fine elastic garters are fitted to each pair and almost all models are attractively trimmed with lace and ribbon.

We invite you to come and see the new models. We are also showing some fine Wash Dresses, Reppe, Gingham, etc.

Hose Hose

FOR LADIES AND CHILDREN

Several hundred dozen Spring and Summer lines opened this week.

An extra specially good line, as things are now, is a Mercury Mercerised line of women's full fashioned, widened top stockings, in Pearl, White, Brown and Black, @ 60¢

Other staple lines for mothers and their daughters, big and little, are "Silkoline" and "Sunshine" brands—with Buster Brown's for the boys, and Buster Brown's Sister for the girls who need something pretty sturdy.

"Fashion-Craft"

The best clothes for men and boys that are fit-to-wear anywhere and everywhere. Almost weekly express arrivals keep the stock fresh and up-to-the-minute.

Maltese Cross Rubbers

"Maltese Cross" Rubbers are the best brand we know of. If you haven't had rubber satisfaction, come to us. All sizes for men, women and children, in many widths and shapes.

TUBERCULOSIS PATIENTS CURED

(By George B. Waters)

Washington, March 3.—Time was when one learned he had tuberculosis, better known to some as consumption, he made his will, arranged for his lot in the cemetery, and selected his favorite undertakers.

But the federal board for vocational education, in charge of the rehabilitation of war veterans, announces the disease can be cured and that the board will have 55,000 ex-service men suffering from the disease.

These 55,000 patients were taken into the army, navy, and marine corps apparently sound, although some were not. The work of perfecting a cure and rehabilitating the men for work that they stand up under requires from four to five years.

The board is undertaking the most important piece of work ever attempted in the battle with the great white plague, declares Surgeon John W. Turner, United States Public Health Service reserves. "The board is not only aiding the public health service and the private sanitariums in their efforts to heal, but is preparing the patients during the cure so that they will be a better living than they did before, and stay well while they are doing it. In a word, the board is making a vocational training with treatment and is completing the cure of the tuberculosis veteran in an ideal manner."

To rehabilitate these tuberculosis is going to cost the government about \$250,000,000. While the cure is in progress and until they are completely cured and are capable of standing alone they receive from \$8 to \$15 a month, according to the number of dependents they have. The average has been estimated at \$15 a month. They are in government and private sanitariums.

LAWFUL FENCES ARE DEFINED IN NEW PROVISIONS

Come Up in Committee Discussing Law Relating to Domestic Animals.

Following a long discussion, the house sitting as a committee of the whole, Tuesday cut out of the new consolidated law relating to domestic animals the provision that "a fence surrounding growing crops or crops in process of being harvested shall not be deemed a lawful fence unless it is situated at least eight feet from such crops." The principal objection was raised by J. H. Kemmis (Opp.) Pincher Creek, who pointed out that the provision would work a hardship on ranchers and farmers who already had their land ploughed right up to the fence, and crops sown. He said that the conditions were so varying in different sections of the province and even in the same section that to lay down this hard and fast rule would work a hardship. After much argument over the point, the house agreed and the eight foot limit was cut out.

PROVISIONS OF BILL
Among some of the provisions of the measure which the house passed were the following:

Lawful fence shall be:

"Any substantial fence not less than four feet high consisting of:

"Rails or boards not less than four in number, the lower one being not more than eighteen inches from the ground, supported by upright posts, not more than twelve feet apart.

"Upright posts, boards or palings not more than six inches apart.

"Barbed wire and a substantial top rail, the wires being not less than three in number and the lower one not more than twenty inches from the ground, supported by upright posts not more than sixteen and a half feet apart.

"Not less than three barbed wires on upright posts not more than fifty feet apart, the wires being fastened to droppers not less than two inches in width and one inch in thickness or to droppers consisting of willow or other poles nowhere less than one inch in diameter, or to wire droppers, the said droppers being placed at regular intervals of not more than seven feet apart.

OTHER STYLES OF FENCES

"Two posts spiked together at the top and resting on the ground in the shape of an inverted Y and joined by a brace firmly nailed near the base, with three rails firmly secured on the one side of the inverted Y; the top rail being not less than four feet and the bottom rail not more than eighteen inches from the ground, there being also firmly secured on the other side of the inverted Y one rail not more than twenty inches from the ground.

"Woven wire secured to posts not more than sixteen and one-half feet apart.

"Solid stone, cement, brick or wood fences, four feet high.

"Any river bank or other natural boundary sufficient to keep domestic animals out of any land.

"Any fence within a municipal district declared to be a lawful fence by a bylaw restraining animals at large."

The principal change in the foregoing was in reference to woven wire fences, the house changing the original wording from posts not more than thirty-five feet apart to posts not more than sixteen and a half feet apart.

SPRING HORSE SHOW

The executive committee of the Alberta Horse Breeders' Association met on Saturday, February 28th, in the office of E. L. Richardson, Victoria Park, to select the judges for the Spring Horse Show, which will be held March 22nd to 27th.

Those present were E. D. Adams, Calgary, first vice-president; A. L. Dollar, High River, second vice-president; W. L. Carlyle, Calgary, director; Thomas Bellow, live stock superintendent; and W. N. Gibson, acting secretary in the absence of E. L. Richardson, secretary.

President David Thorburn, of De Winton, was unable to get in on account of the bad condition of the roads in his district, and Director Alderman Fred Johnson was unfortunately too ill to attend.

Four judges were selected, one for Clydes and shires, one for Percherons, Suffolk Punch and Belgians, one for Standardbreds, Hackneys and Light

Harness Classes, and one for Thoroughbreds, Saddle Horses, Hunters and Jumpers. The names will be forwarded to the Minister of Agriculture at Edmonton, and as soon as their acceptances have been received, the names will be published.

The committee also authorized the addition to the prize list of a class for city police horses at the request of Police Chief D. Ritchie, of Calgary. This class, which is too late to appear in the prize list as the latter is already published, will be described as follows:

"Police horses; open to members of any city police force. To be judged 30 per cent. for conformation, style and purpose for which used; 20 per cent. for condition and grooming; 20 per cent. for equipment; and 30 per cent. for riding. The prize will be \$15 for first, \$10 for second; \$5 for third, and \$5 for fourth."

The prize list shows that approximately ten thousand dollars are offered in prize for the 1929 show. Prize lists have been mailed to all of last year's exhibitors and anyone desiring a copy has only to write or phone to the secretary, E. L. Richardson, Victoria Park, and a copy will be mailed immediately.

STERLING EXCHANGE MAKES REMARKABLE RECOVERY IN U. S.

New York, March 4.—The remarkable recovery that occurred today in sterling exchange was the dominating influence on the markets. The rate, advancing 15¢ from over yesterday's closing, touched \$3.57½, the highest since January 28. Since the best price for exchange on date was \$3.79½, and the worst \$3.13, considerably more than half the great decline which culminated a month ago today has recovered.

On the exchange market it was reported today that buying of exchange on London were exceptionally active, and bills were not offered freely. Rates for exchange on other European markets moved similarly in their favor.

Financial men here state that the rapid recovery in sterling—it has ad-

vanced 23 cents almost within a week—is partly reaction from a much overdue speculation for the decline. Sales of securities by London in New York have also cut a figure. It is admitted, however, that the movement has a deeper significance. Economically and politically, the signs in Europe have been encouraging enough in the last few weeks to put some quietus on the pessimistic talk about Europe, with which the American market has been favored. It is also believed here that recent indications of probable steps to save Germany from bankruptcy—had had something to do with increasing financial confidence.

Canadian dollars were at 88.60 in market closing, a very considerable improvement over recent quotations.

11 OUT OF 83

cases ended in death! So a recent Canadian investigation showed. These were not cases of infectious diseases—of consumption—or typhoid! They were cases where a person had sustained some slight injury—a cut, a burn, a wire-rub—and where the wound, being thought not serious enough for careful treatment, had been neglected. Blood-poisoning and death resulted.

When you or your children sustain any injury, ensure against infection by applying Zam-Buk. This balm soothes the pain, stops bleeding, and by destroying all germs prevents blood-poisoning, etc. Hence no time need be lost from work or pleasure by those who use Zam-Buk. All dealers, etc., box.

M.D. PINE LAKE NO. 339

The statutory meeting of the Council of the Municipal District of Pine Lake, No. 339, was held at the City Hall, Red Deer, on Saturday, March 6th, 1920, at 2 p.m.

Present, Councillor E. H. Pixley, Mayor; Councillors C. L. Walde, John Reay, R. E. Fluke, and Secretary, Treasurer J. W. Hey, Councillor J. W. Darrach and Councillor-elect, D. W. McKinnon both being absent on account of sickness in their families.

Mr. Hey took the chair in the absence of Returning Officer Walcott. The oath of office being administered to him taken by Messrs. Walde, Reay and Fluke.

Mr. Pixley moved that Mr. Fluke be appointed Reeve for the year 1920. Carried. Mr. Fluke took the chair as Reeve, and briefly thanked the Councillors for their appointment. He asked the Council to please remember when setting the date for future regular and special meetings the importance of being promptly on time. He trusted to have the full co-operation of the members of the Council in future business and hoped that matters would travel along smoothly and the amicable relations of the past be sustained in the future.

Mr. Reay moved that Mr. Pixley be appointed Deputy Reeve for the first six months of 1920. Carried. The minutes of the last meeting were read.

Mr. Pixley moved that the minutes as read be confirmed. Carried.

Moved by Pixley, that the following scale of remuneration for the year 1920 be adopted for the Municipal District: Reeve, \$5.00 and 10c per mile; Councillors, \$4.00 and 10c per mile. Laying out and inspecting work, \$4.00 per hour. Carried unanimously.

The secretary-treasurer read the auditor's financial report for 1919, and details of the Divisions.

A letter was read from the Department of Public Works re. dangerous grade crossings on railways and asking the Council to submit any particulars of crossings considered dangerous with a view of taking the question up with the Railway Commission. It was held by a very short vote.

The secretary-treasurer was instructed to get in touch with Councilor elect D. W. McKinnon, Division No. 3, and draft a memorial to the Department of Public Works re. dangerous crossings on the A.C.R.

A letter was received from the Department of Agriculture, dated the price of seed wheat at \$2.45 per bushel; basis No. 1 Northern in store plus terminal elevator, Fort William and Port Arthur. This will, the letter stated, make the average price at country points in the area \$2.37 per bushel, varying somewhat according to distance from said terminal elevators, according to railway rates.

Letter from the Department of Public Works re. road dragging competition for 1920 and enclosing rules. The following prizes were offered: 1st prize, \$300.00; 2nd, \$250.00; 3rd, \$200.00; 4th, \$150.00; 5th, \$100.00.

The roads of the first prize winners in all districts will be re-graded; and the regular prizes awarded as follows: 1st grand prize, \$500.00; 2nd grand prize, \$300.00; 3rd grand prize, \$200.00.

So that it is possible for a total prize of \$800.00 to be secured. Roads in the competition must not be less than 4 miles or more than eight miles in length. The prize money will be divided as follows: 75 per cent. to the district of association and 25 per cent. to the man doing the actual work. Entry only from each district association, the competition being open to Municipal Districts affiliated Automobile Clubs and duly organized Goods Roads Associations. Dragging to start Jan. 1st and end September 30.

Letter from Corrugated Culvert Co. re. road machinery and culverts was laid over.

From Hooper Marble and Granite Co. re. memorial to City Hall.

From Museum, Ltd., re. road machinery. Laid over.

From Department of Municipal Affairs re. rural school assessment. From Hall Insurance Board enclosing copies of financial report for 1919 and notifying the Council that the annual meeting would be held in Calgary on the 17th inst. Carried.

Letter from A. S. Stewart and R. Bruynsema, surveyors, was read, offering to make any surveys required by the district.

Moved by Reay, that Mr. Fluke be authorized to engage a surveyor at a cost not exceeding \$15.00 per day for surveyor and assistant for any surveys he required done. Carried.

Letter from City Commissioner Stephenson offering office accommodation for the Municipal District in the City Hall.

Moved by Pixley, that the Reeve and secretary-treasurer be authorized to obtain information location and cost of the municipal district office and report at the next meeting. Carried.

Letter was read from the Department of Municipal Affairs drawing attention of Council to a recent letter from the Attorney-General re. the question of the liability of the Municipal District under said certificates issued and pointing the need of great care in making out these certificates. Letter from U.G.G. Co. re. road machinery; laid over.

Letter from Hon. A. G. Mackay, Minister of Municipal Affairs forwarding a copy of a resolution recently passed by the U.P.A. and commending it to the Council as a good thing. This related to rural credit societies and government guarantees. Ordered filed.

Letter read asking for estimate of seed grain required.

A letter re. relief to farmers for seed grain, fodder, food and clothing, etc., was read.

Letter from Trustees of Willowdale S.D. No. 203, was read, notifying the Council that the School Board wanted to do its own financial management and collecting taxes. Ordered filed.

Letter from Geo. Bain re. tax exemption was read. He thanked the Council for its kind consideration in this matter, which was appreciated very fully.

Letter from Fairbanks-Morse re. sales for sale, was read. Ordered filed.

Letter to J. A. Abbott re. fencing in the road allowance was read, and asking him to make an offer for the purchase or rental. No reply had been received from Mr. Abbott, and the secretary-treasurer was instructed to find out from the Land Titles office how the title to the road diversion on

Sec. 435-254 stood.

Letter from Department Municipal Affairs was read re. relief to farmers requiring an Filed.

Letter from Department Municipal Affairs notifying the Council the secretary-treasurer was bonded through Allan, Killam & McKay, Edm.

Letter from the Department of Municipal Affairs re. the definition of the word "tenant" for the purpose of securing seed grain advances. Filed.

A resolution was passed authorizing the Reeve, Deputy Reeve and Secretary, or any two of them to sign cheques, etc., on behalf of the Municipality, and to borrow by way of an over-draft from the Royal Bank of Canada any money required.

Moved by Walde, that the Reeve and Secretary-Treasurer be and are hereby authorized to borrow by way of an over-draft from the Royal Bank of Canada a sum not exceeding \$250.00 for the purpose of paying the demands of Balmoral and Clearview School Districts. Carried.

Moved by Reay, that the account of the Western Veteran Publishing Co., Edmonton, for election supplies, amounting to \$3.40, be passed for payment. Carried.

The question of the appointment of an assessor was then taken up. Mr. Pixley was of the opinion that there should be a full board present before the matter was settled, and suggested that as the assessor could not get to work at present owing to snow, on the ground that it be left over for another meeting.

The U.G.G. Society Co. offered to make the assessment on farm lands only for about \$225.00. Mr. Bjorklund offered to make the assessment on all lands for the sum of \$500.00.

The question of appointing a secretary-treasurer also came up, and Mr. Pixley thought this also should be left over for a full meeting.

Two Councillors were away owing to sickness. Mr. Hey stated that as he would like the appointment made as soon as possible, and pointed out that the Council since last December, and that he may want to get away any day now.

It was finally agreed that in the event of Mr. Hey wanting to get away before the next meeting, that a special meeting be called and his successor appointed; and it was also decided that any further application for the position of Secretary-Treasurer and Assessor be received up to noon of the day of the next meeting, and it was then moved by Mr. Pixley that the appointments of Secretary-Treasurer and Assessor be laid over until a meeting to be held at the City Hall, Red Deer, on Friday, March 19th, 1920, at 2 p.m. sharp. Carried unanimously.

Moved by Reay, that we adjourn to 2 p.m. Friday, March 19th, 1920, at the City Hall, Red Deer. Carried.

EMBARRASSED

BY PRINGLE'S APPEARANCE

Ottawa, March 16.—A dramatic incident occurred at one of the hearings this week before the board of commerce, sitting as paper controller, when R. A. Pringle, who was paper controller from the creation of that office until six weeks ago, appeared before the board as counsel for one of the newspaper manufacturers.

Both Commissioner O'Connor and Commissioner Murdoch questioned the ethics of Mr. Pringle's appearing in that capacity under the circumstances, and after a lengthy argument, Mr. Pringle withdrew.

The two commissioners were visibly embarrassed when Mr. Pringle, on the hearing being opened, proceeded to present the case for one of the newspaper manufacturers and referred to certain arrangements he said he had concluded in his capacity as paper controller. Mr. O'Connor asked Mr. Pringle whether he was appearing before the board as counsel for the interested manufacturers and on receiving an affirmative reply, asked whether he did not feel embarrassed. Mr. Pringle disclaimed any feeling of embarrassment and proceeded with his presentation of the case.

Mr. Murdoch said that the board of commerce as paper controller had not received the co-operation it had reason to expect from Mr. Pringle as the former incumbent of that office and added that he thought it strange that Mr. Pringle should now appear as counsel for a newspaper manufacturer to contest an order made by the board as paper controller. Mr. Pringle pleaded that his object was to assist

the board.

"You are embarrassing me," said Commissioner O'Connor, "you are saying things as counsel for a newspaper manufacturer that I feel I should take up with you as the previous paper controller."

Mr. O'Connor said that his guiding principle had been not to touch anything in one capacity that he had been connected with in another. Mr. Pringle then withdrew.

FORMER SOLDIERS WARNED NOT TO WEAR UNIFORMS

In the belief that many discharged soldiers of all ranks are wearing their uniforms, badges, decorations, etc., on occasions not authorized by the militia department, the A.A. & M.G. of military district No. 13, has sent out a circular letter to the police departments of every city in Alberta, requesting them to co-operate in the arresting of such offenders.

The militia explain that they have now disbanded their military police force and that they can rely upon the civil authorities to aid them in this particular respect. The law for wearing uniforms without authorized occasions or without special permission of the officer commanding district, is \$500 or two months' imprisonment, or both.

There is no objection, however, to worn soldiers' uniforms if buttons and straps have been removed therefrom.

CLYDESDALE STALLION FOR ALBERTA'S USE

Hon. Duncan Marshall Announces Purchase of "Cragie Masterpiece" from Scotland.

Hon. Duncan Marshall, minister of agriculture, announced to the legislature Thursday afternoon, that he had completed by cable, today, the purchase of an outstanding Clydesdale stallion for use in the province under the vote made for this purpose in a session, N. A. Weir, of Oshawa, a member of the Clydesdale committee of the province of Alberta, has been in Scotland for the past few weeks, and after looking over the available horses, along with Mr. James Eileen, he was decided to purchase the stallion "Cragie Masterpiece" 18297.

This horse, Mr. Weir says, is a magnificent specimen of the breed. He is the type that the minister of agriculture has been desirous of securing. He weighs upwards of 2100 pounds, is rising seven years old, and has been one of the best breeding horses in Scotland. He has not been exhibited very often, but was first as a foal at the Plain Farm Show, and in 1918 was reserved for the 100 pound premium in the Glasgow Stallion Show, which place he won well at. He has also held the following premiums: East Mainland and Orkney, 1917; Dundee and Perth, 1917; Glasgow, 1917; North Ayrshire, 1918; Durham, 1919. He was let to the Earl of Fife's property for 1920, but his proprietor, Mr. James Kilpatrick, of Cragie Mains, the proprietor of one of Scotland's most famous studs, was able to secure his release if purchased to go to Alberta. His get, Mr. Weir describes as big, handsome horses, and a fly of his won the championship at Forfar last summer. "Cragie Masterpiece" is by the great breeding and sire of many champions, "Everlasting," who was also a good breeding horse, and was the sire of good, big colts, with plenty of size and substance, and was very much sought after by societies engaging horses in Scotland.

"Cragie Masterpiece" was born in 1878, has been one of Scotland's great mares. She was sired by "Revelation," who himself was not only first at the Highland Society show but also won the Cawdor cup at Glasgow. "Isabel" herself was first in 1909, first in 1910, and won first place last summer in the year 1919, when she was four years of age, which is a wonderful tribute to her wearing qualities. She is also the mother of seven outstanding Clydesdale stallions used in the studs in Scotland, a record achieved by no other mare.

Mr. Marshall confidently believes that he has in "Cragie Masterpiece" the type of Clydesdale draft horse that Canada needs, and that when he arrives on this side of the water he will be the best show horse and the best breeding horse that has ever been imported. The price paid was 2500 pounds sterling, which at the present rate of exchange, amounts to \$9,825.

THE GLAD HAND

always awaits you here. We welcome new faces, and while we do not deny you give special attention to our regular customers, whose patronage we steadily hold by giving them the best lumber bargains, at the same time, if you are a stranger, we will treat you just as well in the hope that you will see the advantage of buying your Lumber and Building Material here, and yourself become a regular patron of our store.

We give most cordial welcome to those who have NOT traded with us, and by giving them unquestionable bargains, try to induce them to come again.

Are you one of them?

WHAT DO I CARE ABOUT 40 BELOW ?

When I've got four tons of the hottest heating Coal that ever came out of the earth.

This Coal is some I got from The Smith Lumber Co., Ltd., and it's great—the best heating coal I ever saw. They told me when I bought it it would make me feel a bit warm around the edges, and it sure does.

If you want some of this superior coal, they have lots of it left, at no higher price than you pay for "the other kind."

HAIL INSURANCE

In the financial statement of The Hail Insurance Board of Alberta for 1919 it is shown that Pine Lake Municipal District, 335, had a loss from hail of only \$354.58. There were 7677 acres insured, 300 acres damaged, and only seven claims. This is a particularly good showing for this district. Golden West, No. 371, had 688 acres insured, with no losses. Lochearn, No. 401, had 241 acres insured, and five claims, 142 acres damaged and \$247.44 total loss.

DR. MICHAEL CLARK WILL SUPPORT AMENDMENT

Ottawa, March 5.—Dr. Michael Clark, in opening his speech on the address, expressed pleasure that chance had given to Sir George Foster the opportunity of leading the government during the first session in the new house.

The government, said Dr. Clark, was preaching economy. Who did they wish to economize? Were they thinking of asking the veterans of the great war to economize, such advice would appear futile. Some of these men had not been able to get enough to eat last winter; the speaker thought. Workingmen were having all they could do to make both ends meet. It could hardly be said that farmers were living in a luxurious manner. They had no expensive carpets or antique furniture in their farmhouses. It would almost seem that the only people left to practice economy were the profiteers, and in dealing with them it was not the government's duty to preach economy, but to enforce it.

SAYS NOT CLASS PARTY

Dr. Clark did not agree that the farmers' party was a class party. He agreed that no class could permanently rule the country. "I believe that the only logical and effective method for men entering the life of the country is for them to combine upon a common policy in which they sincerely believe, as a policy will redound to the public good."

In which they all ought to participate. No one can accuse the farmers of selfishness, for the first thing they ask for in their platform is that all duties shall be taken off the things they produce so that all may benefit by such a measure," he said.

Dr. Clark asserted that the farmers were free from any charge of selfishness. They had asked that the duties be taken off everything that they produced so that all may benefit by such a measure. This would be an aid to all sections of the people. That was a sample of unselfishness which other classes might well copy. If they did so, it would solve many of the tariff problems.

Those who stood in the trenches for Canada and the farmers in the west, said Dr. Clark, asked no protection. Their worthy example might well be followed by the manufacturers.

NEWS WEEKLY SERMON

By REV. GEO. D. ARMSTRONG

The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; He hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound.—Isa 61:1.

It is quite evident that even yet, very widely differing opinions exist concerning the work of Israel's prophets. Some have conceived of them as divine fortune tellers whose business it was to draw aside the veil that hides the future from us and to disclose the events that shall take place in generations yet to be. To these the events of history are thrown upon the screen of time in much the same manner that the moving picture unfolds the film which has been prepared.

Those who hold this idea of the literal fulfillment of prophecy, while careful to preserve its literal phrasing, are utterly indifferent concerning the historical setting of prophecy; the personality of the prophet; the people to whom his message was primarily addressed and the conditions which called forth his message. They are almost as if they valued prophecy principally as a means of holiness, and not as a means of revealing the truth to the people.

The poet Tennyson in one of his suggestive little poems declares that if one could completely understand all that is known of a flower in the crannied wall, such knowledge would lead to a complete knowledge of life. The universe glides not in a dew drop, and there is a faith that finds centre everywhere. To understand one soul truly is to know all mankind. To master the conditions of any particular age will lead one to a knowledge of the Divine purpose that runs through the ages. It is this principle which makes God's revelation to Israel of value to mankind, and gives to the messages of the prophets a timeless value. The prophets were men of like passions to ourselves. They were endowed with capacities similar to our own. They lived in touch with the movements of their time, and grappled with the industrial social and spiritual problems which confront men in every age. Inspired by the spirit of the living God, incarnate in every age, they pierced to the heart of reality, they saw truth as it is, in relation to

GUARD AGAINST THE 'FLU

Serious Outbreaks of Influenza all over Canada

GOOD HEALTH IS THE SUREST SAFEGUARD

"FRUIT-A-LIVES" Brings Vigor and Vitality and Thus Protects Against Disease

"There can be no doubt that the situation regarding the spread of influenza throughout Canada is one of grave concern. It is quite true that the number of cases does not constitute an epidemic such as existed the suffering and sorrow during the terrible days of 1918. Yet there is no disputing the fact that everyone should be on their guard against the disease."

In Montreal alone, from January 20th to February 21st, three thousand, one hundred and seventy cases of influenza and 189 deaths from the disease were reported to the Health Department.

If the outbreak had come at the beginning of the winter instead of the end, we might reasonably fear that the very cold weather would check the spread of the disease. But, as it is, at the end of the winter, there is grave fear that an epidemic may occur. For when, with its slush and rain under foot, its dampness and chill, its constant changing from cold to warm and back again, is a prolific source of coughs and colds, pleurisy and pneumonia.

The best protection, in fact, the only safeguard against the 'Flu, is, GOOD HEALTH. Those who are not as well and strong as they should be; those who are underweight; those who are "run-down" through overwork or sickness; should build up at once. What they need is a blood-purifier, a body-builder, a strength-giver, like "Fruit-a-lives", the wonderful fruit medicine.

"Fruit-a-lives" regulates the kidneys and bowels, causing the organs to eliminate waste regularly and naturally as nature intended. "Fruit-a-lives" keeps the blood pure, and insures an abundant supply of pure, rich blood. "Fruit-a-lives" tones up and strengthens the organs of digestion, sharpens the appetite, brings restful sleep and renews the vitality of the system. "Fruit-a-lives" contains everything that an ideal tonic should have; to purify the blood, to build up strength and vigor, and to regulate the eliminating organs, and the whole system would be in the best possible condition to resist disease.

Now is the time to build up your health and strength, not only as a precaution against the ravages of influenza, but also to protect you against "spring fever" and the inevitable reaction which comes with the appearance of warmer weather. Get a box of "Fruit-a-lives" today and let this fruit medicine keep you well.

"Fruit-a-lives" is sold by all dealers at 50c a box, 6 boxes for \$2.50, trial size 50c, or sent postpaid on receipt of price by Fruit-a-lives Limited, Ottawa.

human experience and voiced the message of God to the age in which they lived. They had a personal sense of fellowship with God. They knew they were moved by the Holy Spirit. They had a personal interest in and sympathy with their fellow men and so they became the medium through which God spoke to men who otherwise would not have heard His voice, whose religion would, without the personal influence of the prophets, have been inarticulate.

So here the prophet of the exile spoke to the nation in its hour of need. Judah had been carried captive to Babylon, and in the day of adversity learned that the downfall of the nation was due to the sin of the people. It was the business of the prophet to deal truthfully with the "wounded conscience" of the nation. Judah was lonely. How could she sing the Lord's song in a strange land. It was the mission of the prophet to comfort the "troubled lonely hearts" of those "who hung their harps on the willows and wept when they remembered Zion."

Judah was in despair, feeling that her way was hidden from God, and that Jehovah had forsaken his people. It was the privilege of the prophet to inspire the people with a message of freedom and of hope to revive the spirit of the captives with the promise of restored national life and prosperity.

How well he succeeded in his task the history of the Jewish people has shown. The prophet was not omniscient, and not all of his glorious prophecy was fulfilled. The dream of world domination, when the sons of the alien would feed their flocks was not realized, and at a later day the nation was again in bondage to national sin and to the political oppression of the Roman empire. The words of our text formed the basis of Jesus' first sermon to the people of his home town, and constituted the very heart of His message to the age in which He lived.

And not less in this age, the church must minister to the wounded conscience, the troubled heart and despairing spirit of an age that needs the gospel. The gospel is not merely an echo from a revelation made by God in past ages. It is the response of the Divine life to the needs of every individual and of every age. We are false prophets indeed if we are not true to ourselves and to our fellow men. It is for us to reveal the love and justice which forever exists in the character of God and becomes triumphant in the history of the race.

PROVINCIAL MARKETS

Cattle
On the comparatively small number of choice steers which came into the Calgary yards this week, there was a good market, and with the improved quality and a little better demand the prices are advanced to \$12.85. Except on the choice steers, and the tops of the good butcher cattle, there is very little movement, and the steers below this class are being taken out as feeders at from \$10.50 down. Choice steers, \$11.35 to \$12.85; good butchers \$10 to \$11.25. There were very few beef cows in the shipments, and some of them went up to \$10, with a range down to \$8, and good butchers \$9.50 to \$8.75. Occasionally, there are choice light veal calves which made from \$10 to \$11. Bulls scarce, and the best at \$8. Feeder calves from \$10.50 down, and stockers from \$9.00 down; stock heifers, from \$8 down, and calves half a dollar under.

Hogs
Prices on the low leads, which came on the market early were around \$19, but on Thursday the price advanced to \$19.75. Not many on hand this morning, and the price was \$20.00. Edmonton hog market was firm during the opening and has been gaining in strength, and on Thursday the sales were made on the basis of \$19.75 for select.

Sheep
Receipts of sheep of butcher quality in Calgary yards during this week has been light. Good lambs would probably bring from \$17.00 down, with ewes \$12.50 down; ewes at a wide range of prices.

Butcher sheep have not been offered to any extent at the Edmonton yards, and the only movement was a load of common breeding ewes shipped south.

Horses
Auctions during the week have been fairly well attended, and prices are about the same as a week ago. There are few teams of the best quality being offered, and top prices do not exceed \$475. Movement in continuing to Saskatchewan, Manitoba and B.C., with some loads to Alberta points.

Produce
Eggs have been fluctuating considerably since last issue, and there was a drop to \$13.00, but there had been some recovery and quotations are now from \$13.50 to \$16.50, with only a few at the latter price; gold weather has checked receipts which were starting freely last Saturday and Monday. Butter prices are unchanged.

Hay
Bad weather has caused a still greater demand for feed, and prices are higher on hay and green feed, and feed of any kind hard to get. Dealers paying from \$20 to \$25 for hay at nearby points. Green feed on cars at shipping points is worth from \$25 down to \$18, this price being offered for feed out of the stack. Shippers who had contracts to fill in northern districts find they have to reduce shipments, owing to large amount required for home use.

Furs
Nothing new in the market and prices unchanged. Coyotes look as though they might go still lower and best skins not worth over \$15.00.

It is Time to be Thinking of a New Spring Suit or Overcoat

No doubt you will be wanting a new Spring Suit or Overcoat. Why not look over our new stock now while it is fresh and up-to-date? We are receiving new goods right along now and will be pleased to have you drop in and look them over. It is a pleasure for us to show you them at any time. Lovely new patterns in Suits and Overcoats.

Let us show you these.

New Spring Styles in the Ready-to-Wear Section

The season's most approved styles you will find in this section is the result of careful selection and untiring effort of our buyers, which after all is worth it.

New Spring Suits

You should not fail to see them if you wish to be correctly informed as to the styles which will be most popularly worn. You will surely find among them one that you know will become your height and figure, and if you do you will surely purchase it because we have marked every garment with a price that will be impossible to resist. Fashioned from all-wool Serge.

Priced from \$42.50 to \$95.00

New Spring Dresses

There is just enough variety in the styles we are showing to make the choosing of one's dresses a most delightful pastime. There are so many new style features in the new wools that one has to see them to appreciate their quiet distinctiveness. They are made of the smartest materials including Serges, Twotones, Jersey Cloth, etc., and are very moderately priced from \$25.00 to \$58.00

Lovely New Waists

For the woman of taste who seeks something distinctive as well as becoming, this collection of entirely new style blouses for early spring wear has an appeal of more than usual interest. All the smartest novelties are represented, and include all the most popular shades and materials in Silk, Crepe de Chine, Georgette, Crepe, Voiles, etc.

Priced from \$1.95 to \$25.00

Lovely New Sweaters for Spring

Judging by the many dainty models in cleverly executed Sweaters which we are showing, there is every indication that smart sweaters in coat and pullover styles will be worn more extensively all spring and summer. Knitted from pure wool yarns and

SOCIAL SERVICE LEAGUE

Following the announcement made by the government that the necessary request for a provincial referendum on the interprovincial traffic will be sent to the Federal authorities, the Alberta social service league convened its provincial executive, Friday, discussed plans of organization.

The meeting was held in the parlor of the First Baptist church, and had two sessions, one at 10 a.m. and again at 2 p.m.

Although the notice was short, the attendance shows the intense interest that is being taken by the temperance forces of the province. Mrs. McKinney, M.P.P., president of the league, occupied the chair for the morning and afternoon sessions, leaving only to be present for the session of the legislature at 3 p.m. Captain Robert Pearson, M.P.P., and vice-president, was also present during these hours. Rev. Archdeacon Howcroft, 2nd vice-president, was also present. Other members of the executive who were present were: P. Baker, vice-president of the U.P.A. and who represented that body at the meeting, as well as Alderman Rice Sheppard, Mrs. Sears, president of the U. M. Hart, Carbon.

These two ladies were the official representatives of the Temperance Women. Local branches and religious denominations from all parts of the province were represented by the following: John Galloway, P. J. Satchewan; Joseph Smith, Innisfail; C. H. Cummings, Ponoka; W. Elmer Rife, Naragah; P. H. Tibbels, Stettler; Mrs. Bryan, Taber; Rev. J. G. Goddard, Hardisty; Mrs. A. G. Wilson, Dalmahoy; J. P. Stiles, Leduc; T. Telford, Leduc; E. C. Wells, mayor of Leduc; Rev. Jos. Coulter, Calgary; Mrs. Nancy, A. Parks, Youngstown; W. G. Hunt, Calgary; Dr. Archer, Lamont; J. H. McDonald, W. H. Field, Leduc; Rev. D. M. Thompson, Red Deer; Rev. E. Macdougall, Dr. C. Buchanan, Rev. W. W. Irwin, Rev. C. H. Connelick, H. H. Hull and Rev. B. S. Bishop, Edmonton.

President McKinney in a few well chosen remarks outlined the present situation confronting the temperance forces of the province in the campaign at Montreal in January, at which the resolution was passed which called upon the different provinces to ask for the referendum and if possible have the vote taken at the same time in the different provinces. He said that the dominion government had granted two of the three requests, that the dominion prohibition committee be organized in January, and that they grant the provinces the right to take a vote on this question and at the same time (also) the soldiers had all returned to civil life. The order-in-council had been removed on January first, when the committee had asked that it remain in force until the vote had been taken.

Copies of the resolutions that had been presented to the government were distributed to the delegates who by motion unanimously endorsed them. By resolution, the committee the able manner in which they had been handled. After all discussion it was unanimously decided that the present organization should lead the fight in the coming campaign as it was found impossible for the reorganization under the new charter to take place in time to take over this work.

The appointment of a campaign committee resulted as follows: President and Vice-president, R. Rice Sheppard, Archdeacon Howcroft, E. Macdougall, C. H. Connelick, C. H. Cumming, Dr. Archer, W. H. Field, B. L. Wells, Prof. A. E. Ottel, G. H. Clark, E. F. Malone, and Mrs. Nellie McClung.

Organization plans were discussed and the business manager was asked to prepare a budget of the necessary amount to finance the campaign. It was felt that notwithstanding the splendid response made by the people of the province that the necessary money to meet all expenses would be quite easily secured when the individual responsibility was made known.

Recognizing the present abuse of the mails that allowed the coming into Alberta of circulars soliciting liquor business, a privilege which the Alberta laws did not permit inside of the province, the secretary was authorized to send forward to the dominion government a request, drawing the dominion government's attention to this, and asking that this privilege be investigated, and if at all possible stopped.

A resolution was also passed expressing the appreciation of the league to the dominion government for the franchise act that had been foreseen in the speech from the throne giving the franchise to all British subjects, male and female, over the age of 21 years.

FEELS IT A DUTY
TO RELATE FACTS

ROYAL YEAST CAKES

Royal Yeast has been the standard yeast in Canada for over 50 years, and it is a well known fact that bread made with Royal Yeast possesses a greater amount of nourishment than that made with any other.

"Before I began taking Tonic I had little or no hope of ever being rid of my throat. But today I am happy to say I am in perfect health," said Miss Mary Boyd, living at East Delta, B. by letter post office address is R. P. No. 1, Westminster, B.C.

"I have been in ill health for the past two years," Miss Boyd continued, "and then last winter I had a severe case of influenza. When I got up I had pains in my back so bad that it was misery for me to stop over. I got very little sleep for I was rolling and turning all night long. My throat felt stuffed most of the time and I was tired from morning to night."

"So many people right here in Vancouver were taking Tonic and praising it so highly that I decided to try it myself, and it is just simply wonderful how it has helped me. Why, all my troubles are now over, and I am feeling as fine as I ever did in my life. I have a splendid appetite and everything I eat agrees with me perfectly. I never have a touch of indigestion, my heart action and breathing are regular and normal. My head feels clear all the time and the pains in my back have all disappeared. I am not at all nervous and am sleeping fine every night. I have gained weight and strength and I feel much stronger than my housework does not tire me the least bit. I feel fit and ready to tell everybody that it was Tonic that gave me such fine health."

Tonic is sold in Red Deer, by Getz-Cornett Drug & Book Co., and by the leading druggist in every town.

ALBERTA FAIRS ASSOCIATION

J. F. DAY IS RE-ELECTED PRESIDENT

Edmonton, March 1.—J. F. Day, of Red Deer, was re-elected president of the Alberta Agricultural Fairs Association at the closing session. He was given the office by acclamation. The presidency went to H. Huxley, of Lloydminster, who was also elected without opposition.

The election of directors resulted as follows: South of Red Deer, E. L. Richardson, Calgary; H. McIntosh, Calgary; R. C. Oren, Wilton; Inland, North of Red Deer, W. R. West, Edmonton; Mrs. T. Armour, Calgary; W. R. West, Edmonton; J. J. Bell, Vermilion. Hon. D. Marshall and H. A. Craig were re-elected honorary president and vice-president respectively.

OFFER PLOWING PRIZES
Encouragement of better plowing in Alberta fostered by generous prizes was subscribed to in a resolution on Wednesday. The motion, which was submitted by the Saskatchewan Agricultural Society, was as follows:

"Whereas proper plowing is of the utmost importance in successful agriculture, therefore be it

Resolved, that this association recommend that the department of agriculture shall grant two-thirds proportion of the prize money paid by agricultural societies for the encouragement of better plowing; and that the department shall provide competent judges for plowing matches held by societies in the province."

EXPENSES OF JUDGES
The delegates went on record as favoring expert judging of grain and vegetables for the various fairs, they passed the following resolution, in the form of an amendment to a proposal advanced by the Mid-Pembina Society:

"That the department of agriculture be asked to arrange for expert judges of grain and vegetables to such societies applying for same, on the condition that the society selecting such judges shall pay all expenses which may be incurred in connection with this service."

STEAL \$3,000,000

In view of the considerable losses incurred through pilfering and careless handling of goods in transit, losses which amount in a year to close on three million dollars, the Canadian railways are now busy conducting an active campaign against such robberies, not only in their own interests but also to protect the merchants and shippers who naturally suffer great inconvenience, even though the losses may be covered by their insurance companies.

The loss of portions of a shipment frequently renders the balance of a shipment useless or of negligible value, and affects the business of the merchant. As a result of this campaign, the C.P.R., for instance, have recently brought into court and secured convictions against several offenders.

Niles, a tanner of a transport company, was sentenced to twelve months imprisonment for breaking into a freight car and stealing a case of gin, while at McAdams Junction three men were sentenced to five years penitentiary, two years penitentiary and four years penitentiary, respectively, for a series of thefts from freight cars.

The subject of pilfering on railways has been taken up in England by the National Union of Railwaymen, which has recently circulated leaflets advising shippers to check the practices and help to remove the stigma which threatens their prestige.

Branches have responded very favorably to this appeal, with beneficial results.

ROYAL YEAST CAKES

ROYAL YEAST CAKES

Royal Yeast has been the standard yeast in Canada for over 50 years, and it is a well known fact that bread made with Royal Yeast possesses a greater amount of nourishment than that made with any other.

"Before I began taking Tonic I had little or no hope of ever being rid of my throat. But today I am happy to say I am in perfect health," said Miss Mary Boyd, living at East Delta, B. by letter post office address is R. P. No. 1, Westminster, B.C.

"I have been in ill health for the past two years," Miss Boyd continued, "and then last winter I had a severe case of influenza. When I got up I had pains in my back so bad that it was misery for me to stop over. I got very little sleep for I was rolling and turning all night long. My throat felt stuffed most of the time and I was tired from morning to night."

"So many people right here in Vancouver were taking Tonic and praising it so highly that I decided to try it myself, and it is just simply wonderful how it has helped me. Why, all my troubles are now over, and I am feeling as fine as I ever did in my life. I have a splendid appetite and everything I eat agrees with me perfectly. I never have a touch of indigestion, my heart action and breathing are regular and normal. My head feels clear all the time and the pains in my back have all disappeared. I am not at all nervous and am sleeping fine every night. I have gained weight and strength and I feel much stronger than my housework does not tire me the least bit. I feel fit and ready to tell everybody that it was Tonic that gave me such fine health."

Tonic is sold in Red Deer, by Getz-Cornett Drug & Book Co., and by the leading druggist in every town.

ALBERTA FAIRS ASSOCIATION

J. F. DAY IS RE-ELECTED PRESIDENT

Edmonton, March 1.—J. F. Day, of Red Deer, was re-elected president of the Alberta Agricultural Fairs Association at the closing session. He was given the office by acclamation. The presidency went to H. Huxley, of Lloydminster, who was also elected without opposition.

The election of directors resulted as follows: South of Red Deer, E. L. Richardson, Calgary; H. McIntosh, Calgary; R. C. Oren, Wilton; Inland, North of Red Deer, W. R. West, Edmonton; Mrs. T. Armour, Calgary; W. R. West, Edmonton; J. J. Bell, Vermilion. Hon. D. Marshall and H. A. Craig were re-elected honorary president and vice-president respectively.

OFFER PLOWING PRIZES
Encouragement of better plowing in Alberta fostered by generous prizes was subscribed to in a resolution on Wednesday. The motion, which was submitted by the Saskatchewan Agricultural Society, was as follows:

"Whereas proper plowing is of the utmost importance in successful agriculture, therefore be it

Resolved, that this association recommend that the department of agriculture shall grant two-thirds proportion of the prize money paid by agricultural societies for the encouragement of better plowing; and that the department shall provide competent judges for plowing matches held by societies in the province."

EXPENSES OF JUDGES
The delegates went on record as favoring expert judging of grain and vegetables for the various fairs, they passed the following resolution, in the form of an amendment to a proposal advanced by the Mid-Pembina Society:

"That the department of agriculture be asked to arrange for expert judges of grain and vegetables to such societies applying for same, on the condition that the society selecting such judges shall pay all expenses which may be incurred in connection with this service."

STEAL \$3,000,000

In view of the considerable losses incurred through pilfering and careless handling of goods in transit, losses which amount in a year to close on three million dollars, the Canadian railways are now busy conducting an active campaign against such robberies, not only in their own interests but also to protect the merchants and shippers who naturally suffer great inconvenience, even though the losses may be covered by their insurance companies.

The loss of portions of a shipment frequently renders the balance of a shipment useless or of negligible value, and affects the business of the merchant. As a result of this campaign, the C.P.R., for instance, have recently brought into court and secured convictions against several offenders.

Niles, a tanner of a transport company, was sentenced to twelve months imprisonment for breaking into a freight car and stealing a case of gin, while at McAdams Junction three men were sentenced to five years penitentiary, two years penitentiary and four years penitentiary, respectively, for a series of thefts from freight cars.

The subject of pilfering on railways has been taken up in England by the National Union of Railwaymen, which has recently circulated leaflets advising shippers to check the practices and help to remove the stigma which threatens their prestige.

Branches have responded very favorably to this appeal, with beneficial results.

FURTHER ADVANCE ON GROCERIES PREDICTED

Toronto, March 3.—The Ontario Wholesale Grocers' Association, at its annual meeting here yesterday, decided that the terms on groceries should be set with no discounts of any kind, and interest at the rate of 7 per cent. be charged at the end of 30 days.

President W. P. Eby, of this city, in his official address, predicted a still further increase in the price of groceries, which would continue during the present reconstruction period.

ONLY ESSENTIAL TROOPS FOR TURKEY

Paris, March 3.—Turkey's army will be limited to the number of troops necessary to maintain order in Asia Minor, according to the Journal, which says Turkey will be compelled to keep her armed forces on the Asiatic side of the Bosphorus.

DECLARE ADHERENCE TO LEAGUE OF NATIONS

Washington, March 3.—Texts of formal notification by five neutral countries of their adherence to the League of Nations have been received here. They are Argentina, Paraguay, Chile, Peru and Spain.

Parties wishing to breed mares to the Clydesdale stallion purchased by the Alberta Department of Agriculture, Craigie Masterpieces' 18297, from the season of 1920, will make application to S. G. Carlyle, Live Stock Commissioner, Department of Agriculture, Edmonton, giving name and registration number of mares. A fee of \$5 will be payable at time of service, and a further fee to be fixed by the Clydesdale Committee and the Live Stock Commissioner, will be payable when mares prove to be in foal.

The location of the horse in the province will also be decided by this committee, and arrangements will be made that the service fees in every case will cover the freight, so as to equalize cost to parties raising in different parts of the province. Further particulars will be published shortly, but parties desiring to breed mares should make application at once. The stallion will likely be ready to begin the season about May 1st. The Committee and Live Stock Commissioner reserve the right to revise the list of applications and make such rules and regulations as may be deemed necessary regarding the services of the stallion.

S. G. CARLYLE,
Live Stock Commissioner.

MIRACLE MAN

Best Picture Ever Shown in Red Deer
A Picture You Will Never Forget
A Worth While Picture! Don't Miss It!

Seven-Piece Orchestra

A PICTURE THAT THRILLS

Imagine the worst sharks that exist in New York Chinatown.

A daring crackman, a beautiful girl, as tough and as wicked as a snake.

A faker who counterfeits and deforms.

A dope fied as sly as a weasel.

Imagine all you've known of good and bad in this world, and even then you can't imagine the wondrous appeal of

"THE MIRACLE MAN"

One Nine Reel Show Each Night Starting at 7.30

PRICES: Adults, 75c. Children, 35c.

Local and District Intelligence

W. T. Lake was in Edmonton on business last week.

Corp. Delatorre of the A.P.P. has been transferred to Innisfail.

Mrs. R. Holbrook, North Red Deer, is visiting her daughter at Edmonton.

Mrs. H. B. George returned from a visit to her parents at Banff last week.

Mrs. George Gunn's father is visiting her. Mrs. Gunn went south last week to meet him.

E. G. Johns, a physician, has just received a big shipment of baby carriages and sulkies. See ad.

The great play "The Miracle Man" at the Lyric, Wednesday and Thursday evening, March 10th and 11th.

Mr. and Mrs. Frank Denzen, of Regina, are north of Mrs. Denzen's sister, Mrs. A. Gehrk, Shady Nook.

Mrs. Wm. Orme, Mrs. Orme is visiting Mrs. Geo. Orme. Mr. Orme is getting over his recent operation nicely.

Mrs. George England has returned from spending the winter with her mother, Mrs. J. K. Yeats, at Chinook, Alta.

Don't forget the St. Patrick's tea and sale of home made cooking at Mrs. H. L. Gaetz, Wednesday, March 17th.

At R. A. Lund's big sale on March 24th, all the household furniture and effects of H. I. Lund will be offered for sale.

Mrs. H. C. Mann will receive at her home, 137, 5th Street N.E., on Thursday afternoon, March 18th, from four to six o'clock.

J. Lang, of the Imperial Bank, is taking charge of the Bank agency at Water Hole, north of Edmonton, during the illness of the manager there.

Comrade Horace Meeres will leave next week for Montreal to attend the Dominion Convention of the G.W.V.A. as a delegate from Red Deer Local.

Mr. and Mrs. G. H. Macdonald and children are visiting Mrs. C. L. Huettner on their return from Montreal to take up their home in Edmonton.

The W.A. of St. Luke's Church will hold a tea and sale of home made cooking and marmalade in the Alexandra Hall on Saturday, March 13th, at 3 p.m.

The W.M.S. of Knox Church will be glad to see you at their tea and sale of home made cooking tomorrow (Thursday) afternoon from 3 to 6 o'clock, in the hall of the church.

James Beatty, who now resides with his brother, Adam Beatty, at Lamsdown, Ont., in renewing his subscription to The News, wishes to be remembered to all the old boys of Red Deer.

The Ladies' Auxiliary of the G.W.V.A. will hold a tea and sale of home made cooking in the room at the Armories on Saturday, March 13th, from 3 to 5.30. Members and friends cordially welcome.

The final parties of the I.O.D.E. chain bridge and five hundred will be held on the 23rd and 24th of March. Five hundred at the home of Mrs. Hummer in the evening of the 23rd; bridge at Mrs. McCrostie's; in the afternoon of the 24th. Anyone wishing to reserve a place phone Mrs. Greig or Mrs. Cotton. Six nice prizes to be given.

Opposition is the life of trade. Farmers, we want you in our business. The Swift Canadian Co. are paying the highest cash prices for cream and poultry. B. R. Hill is handling the goods and will give you a square deal every time. Bring us your poultry every day except Saturday.

Senator E. Michener returned from California on Thursday last, and goes to Ottawa today. He reports fruit lands, improved, worth from one to four thousand dollars per acre. He is interested in several hundred acres there, which he is having improved by planting out to oranges, peaches, and other fruits. He reports great activity there in the building line.

The special collection taken up last Sunday morning at Knox Church for the relief fund of Southern Alberta amounted to \$455, which has been forwarded to the U.F.W.A. of Calgary for distribution. In addition to this, the people sent a lot of splendid clothing that had been packed by the W.M.S. in four bales and forwarded to Medicine Hat for distribution in the surrounding districts.

The revival in the Nazarene church is continuing this week. The services will start each night, except Saturday, at 7.30. Evangelist Rev. C. M. King has charge of the meetings and will do the preaching. Let everyone who believes in the old time religion and interested in a revival in Red Deer, rally at this time for a great spiritual awakening and the salvation of souls. A warm welcome awaits you at the church each night. So come.

Husband and wife are one, but both need life insurance. Your wife is as valuable to you as you are to her. A joint policy in the Mutual Life of Canada protects both—if the husband dies, the wife gets the money; if the wife dies, the husband gets the money. This is the only asset which creditors cannot touch. An endowment policy pays cash whether you live or die. Insure while the opportunity is yours. J. Balle, general agent, Red Deer, Alta.

That the people of the Red Deer district are prosperous, progressive and provident is clearly shown by the amount of life insurance that is being written here by the Mutual Life Insurance Co. of which Mr. John Balle is the general agent in this district. According to February bulletin of the Mutual Assurance Co. there are only two agents in the province that have qualified for membership in the Century Club, which means that an agent must write \$100,000 or more of accepted and paid for insurance. The Century Club year ended June 30, 1918, and Mr. Balle qualified in December, 1919.

The "Miracle Man" tonight.

For ambulance (Stone's) call 172.

Remember the revival in the Nazarene Church 7.30 each night, except Saturday, of this week.

The regular meeting of the I.O.D.E. will be held in the Public Library on Friday, the 12th inst., at 3.30 p.m.

Before Judge Mahaffy, Vestue Carroll, of Windsor, pleaded guilty to the theft of \$45 worth of grain from J. Rump. Owing to some family circumstances, the Judge released Carroll to two years, sentence to be suspended on future good behavior.

The weather on Thursday, Friday and Saturday last ranged from 20 to 24 below zero. A welcome change came on Saturday afternoon, and the past few days have been spring like and the first meadow lark has been seen. We hope last week was the dying kick of old winter.

MATERNITY NURSING

Mrs. G. W. Wright will receive patients at her residence, 204, and Avenue North-East, where the best of care can be guaranteed at all times. Phone 102, post office box 545, Red Deer.
